Housekeeping rules for online participants

Please join the virtual meeting room 15 minutes in advance to test with the technical support that your technical settings enable you to actively participate in the meeting, including presentations if they are envisaged.

If you have any technical questions, please contact the EUSAIR StEP staff at the following e-mail address:

mlaura.maggiulli@regione.marche.it

In order to guarantee a smooth online meeting, you are kindly asked to follow the guidelines as provided below:

ORGANISATIONAL

- Following the indication in the agenda marked "discussion" and by invitation of the Chair the GB members will be invited to express their position/opinion, please give a signal by raising hand.
- In case of remarks and questions arising during the presentation of the agenda point, please write it down in the chat section.

TECHNICAL

- **Indicate your name and surname** including the participating country you are representing or institution in case you are not representing a participating country (Where: Click People (Participants) in the top menu to open the side panel. Action: Hover over your own name, click the More options (three dots), and select Edit display name).
- **Participate with active cameras for better understanding.**
- The meeting will be recorded and shared with you via EUSAIR intranet. It will not however be published.
- Please always mute your microphones when you are not talking.
- Audio and video settings can be checked by clicking on the microphone and camera buttons at the top right corner of the MS Teams window.
- In the chat section you can choose to chat with the entire group or one-on-one with other participants.
- Should you have technical issues with your connection, you can switch off your video to reduce data flow.
